

RRI & Multi-actor innovation networks in GALICIA

Luisa Boquete

GAIN Programme Director

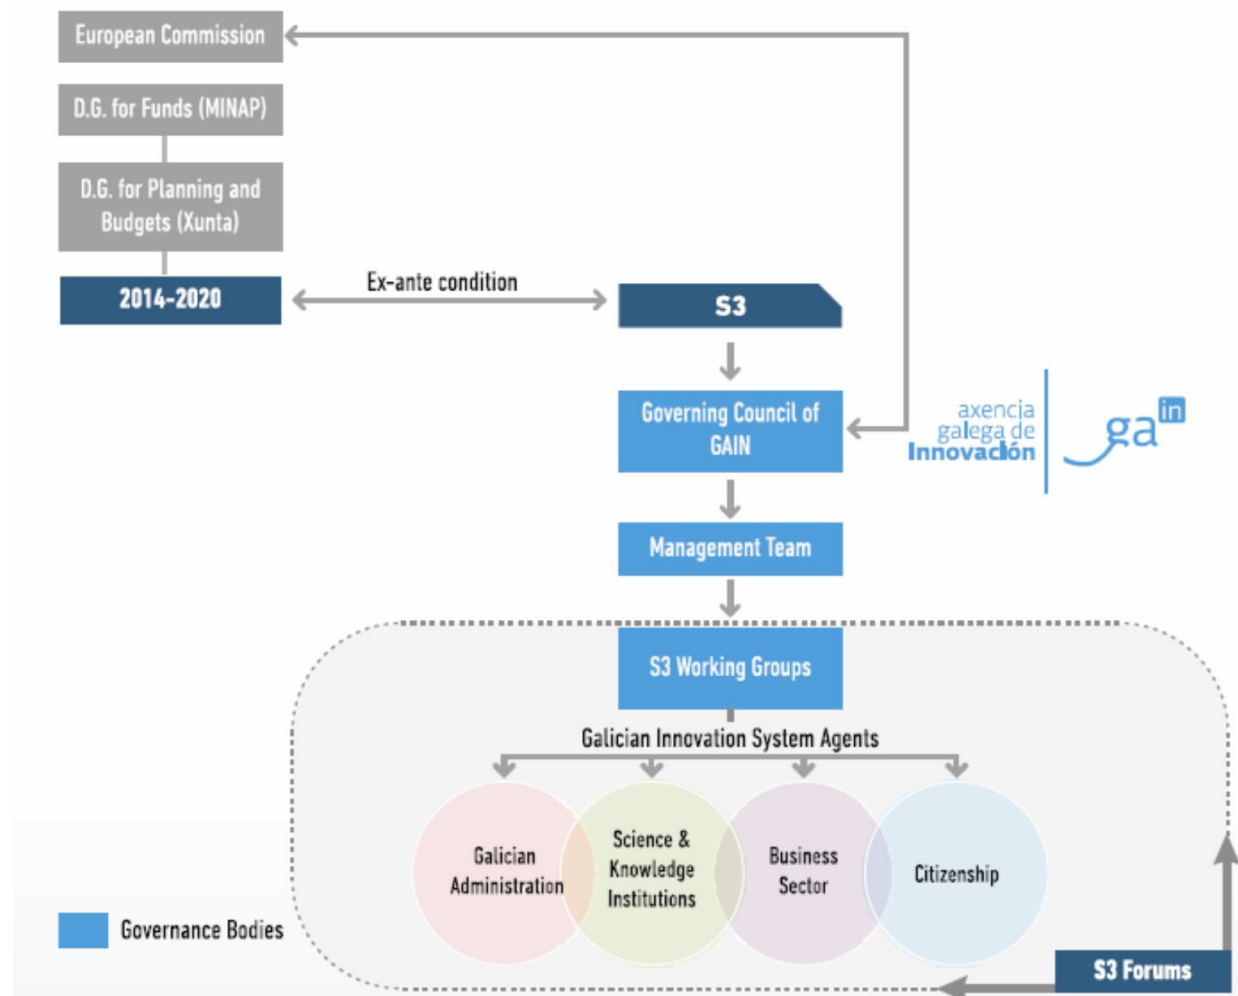

The design and elaboration of the RIS3 involved the introduction a new model for **Public-Private collaboration** in the region

Difficulties to keep that level of collaboration and involvement of stakeholders throughout the whole **implementation process**:

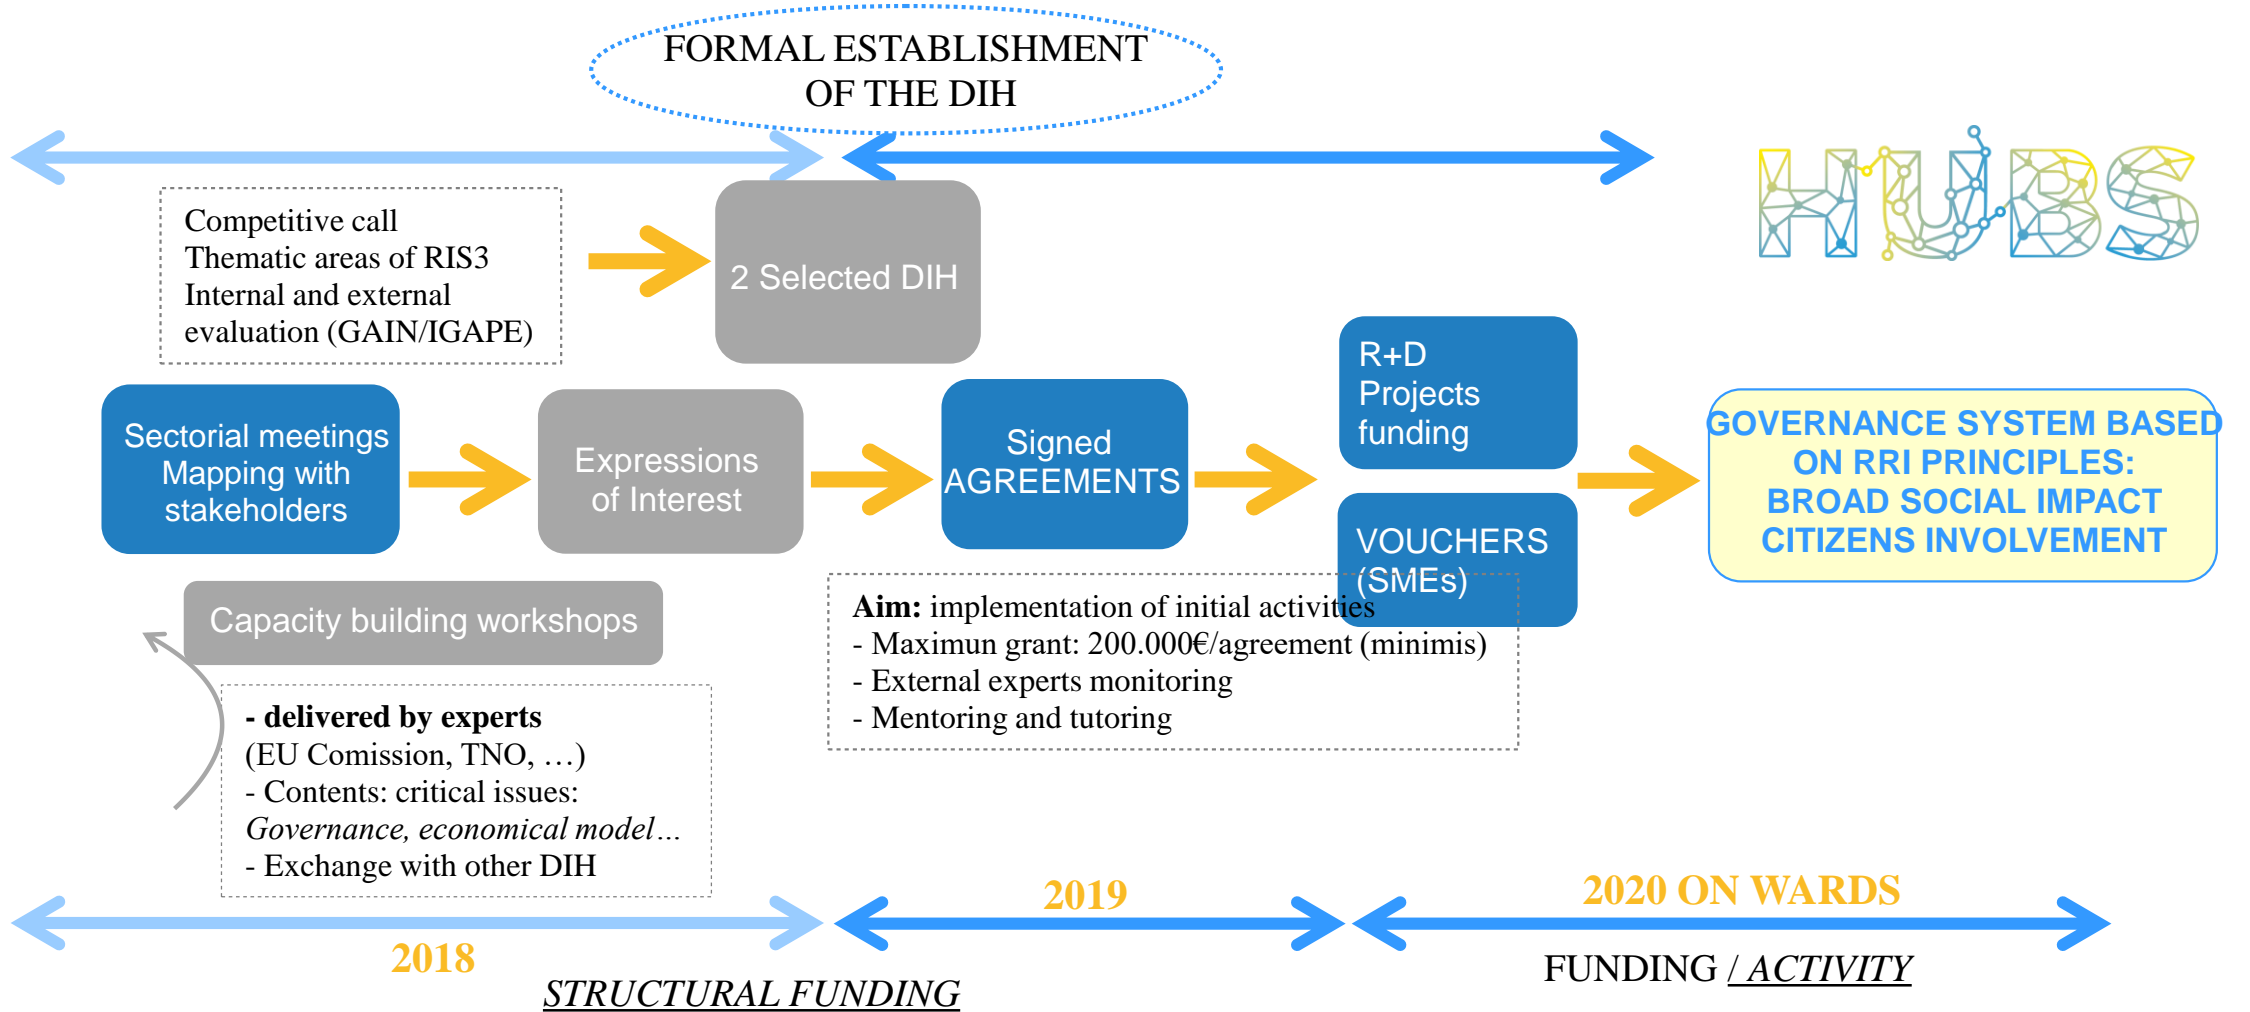

- Exceptions for the design of some specific instruments
- Reported dissatisfaction by the regional R+D+I ecosystem and stakeholders

Wide and **effective participation and involvement of quadruple helix stakeholders** during the Design and Mid-Term evaluation processes:

- Reported satisfaction by the regional R+D+I ecosystem and stakeholders

The regional Strategy on DIH

Increased skills and abilities of own staff through the implementation of transnational collaboration projects

MARIE to understand and exchange about RRI principles and good practice examples of initiatives in regional administrations. Funded by Interreg Europe

RRI2SCALE to introduce new RRI-based mechanisms and tools which can help improve governance and stakeholders involvement in the design and implementation of the “new” RIS3-Galicia. Funded by H2020
