

CLIMALACT activities

Development of protocols and indicators for the sustainability of the “CLIMALACT” brand

1 Development of the farm management protocol and the **CLIMALACT** brand value chain.

2 Development of the economic, environmental and social indicators of the Galician and Asturian dairy agri-food chain.

3 Development of the protocol for measuring climate neutrality and the application for its calculation.

4 Elaboration of the list of recommendations for the application of CAP measures.

5 Dissemination and transfer of results throughout the project.

Total Project budget: 600.000,00 €

Total grant: 600.000,00 €

Innovation project within the framework of the 2023–2027 Common Agricultural Policy (CAP) Strategic Plan, funded 80% by the European Agricultural Fund for Rural Development (EAFRD) of the European Union, and 20% by the Ministry of Agriculture, Fisheries, and Food (MAPA). The Directorate–General for Rural Development, Innovation, and Agri–Food Training (DGDRIFA) is the authority responsible for the administration of these funds.
